

Dragonfruit / Pitaya

Pitaya Sorbet

Pitaya, also known as Dragon Fruit, is a tropical fruit characterized by its red skin and sweet pulp. It has a light, sweet taste, intense shape & color, and natural texture of between that of a kiwi and an apple.

Bonji's vegan friendly, ready-to-serve blend is a must-have menu item, especially if you're a smoothie or juice bar owner/operator. Our Pitaya has an exceptionally creamy texture and vibrant color. Not only is it the perfect smoothie bowl option, but using in smoothies themselves will enhance the nutritional offering as well as flavor, texture, and color.
