

Acai

Açaí Sorbetto

Grown deep in the Amazon Rain Forest, the açai berry is a round, dark purple fruit harvested in huge clusters near the top of palm trees LOADED with antioxidants. Used widely throughout South America for thousands of years, it's only recently that this fruit has found its way to the Western World.

As this delicious fruit continues to grow in popularity, Bonji Foods has developed the best tasting, ready-to-serve frozen açai product in the country. Food operators utilize our premium blend by scooping out of the container and topping with nut butters and fresh fruit to provide guests a righteous smoothie bowl or plant-based superfood parfait. You can also incorporate our vegan scoopable smoothie into existing smoothies to enhance consistency and nutritional offering.
